## Honor Roll of Giving 2015

We are grateful to our valued benefactors for your continued support. Your gifts are vital to our increasing desire to become one of the top ten Colleges of Pharmacy in the nation. As a team of dedicated alumni, corporations, friends, faculty and staff, we can reach new heights together. Investments in our great College are increasing annually because of you. As you may know funding from the State of Georgia has now declined to less than 30% and external funding has become increasingly important to our success. I encourage you, more than ever, to reflect on what the College of Pharmacy means to you. Again, thank you for your continued support to the UGA College of Pharmacy

Dana E. Strickland '81, R.Ph.  
Executive Director of External Affairs
