

PROGRAM MISSION

To provide advanced training in ambulatory care to residents with an interest in academia

PROGRAM DESCRIPTION

The PGY2 Ambulatory Care Residency is offered by the UGA College of Pharmacy in collaboration with the Charlie Norwood Veterans Affairs (VA) Medical Center and Mercy Health Center, all located in Athens, GA. It is a 12 month specialized program designed to develop an expertise in ambulatory care disease state management. The resident will provide patient care primarily at the Athens VA Outpatient Clinic and Mercy Health Center. Opportunities for elective rotations at other sites are available. Rotations will be longitudinal in nature. A secondary focus of the program is in teaching and academia. Residents will be able to take advantage of the strengths of the UGA College of Pharmacy and gain experience in a variety of teaching activities. Residents are classified as graduate students and receive a **Graduate Certificate in Clinical Pharmacy** upon completion of the program.

Beth Bryles Phillips, Pharm.D., BCPS, BCACP, FCCP, FASHP

Michael L. Thiman, Pharm.D., BCPS, BCACP

Rebecca H. Stone, Pharm.D., BCACP, BCPS

CURRENT RESIDENT

Elizabeth A. Price, Pharm.D., MSCR

Dr. Price is a 2016 graduate of the Campbell University College of Pharmacy and Health Sciences, Buies Creek, NC. She completed her PGY-1 Pharmacy Residency at New Hanover Regional Medical Center, Wilmington, NC. Her professional interests include management of cardiovascular diseases, participation in collaborative pharmacy practice, and pharmacy education. Upon completion of her residency, she plans to pursue a clinical faculty position with an active ambulatory care practice and teaching site.
