Dear 1\textsuperscript{st} and 2\textsuperscript{nd} Year Students:

We received clarification from UGA officials this afternoon that instruction for 1\textsuperscript{st} and 2\textsuperscript{nd} year students will be \textit{suspended} for two weeks starting March 16. This includes all academic activities such as classroom instruction, IPPE and IPE.

We strongly recommend you use these two weeks to review classroom materials so that you will be prepared when instruction resumes. Further details will be provided as they become available.

If you have questions or concerns, please contact me.

Thank you and stay well!
