

Dear Students:

As you are well aware, the University System of Georgia has temporarily suspended UGA campus instruction for two weeks starting March 16 as the COVID-19 situation continues to evolve. We recognize that you likely have many questions and concerns regarding this fluid situation as well as your academic and research endeavors. You will be provided information and updates as soon as they are available. Your health and well-being are our primary concerns; in addition, your success in our academic program is paramount. Please be aware that we are working diligently on this situation. Should you have immediate concerns, please feel free to contact [Dr. Duc Do](#).

Thank you,

Dean Kelly M. Smith  
UGA College of Pharmacy
