Decision Tree
College of Pharmacy Faculty, Staff, and Supervisors

Before coming to campus, use DawgCheck to monitor for symptoms of COVID-19 daily.

Are you experiencing any symptoms of COVID-19 or do you have a positive test result for COVID-19?

YES

I have symptoms and/or a positive test

NO

I do NOT have symptoms or a positive test

Have you been in contact with someone who has been diagnosed with or tested positive for COVID-19?

YES

Supervisor will work with faculty/staff to determine when return-to-campus criteria are met and the employee can be cleared to return.

Supervisors will communicate with COP COVID-19 Operational Leadership Team (COLT) to determine if further action is needed (i.e., additional reporting, facility cleaning). The primary COLT contact for supervisors is Dr. Bartlett.

NO

Yes, I have had direct physical contact or close contact (within 6 feet for 15 minutes or more).

Yes, I have had non-close contact (farther apart than 6 feet or within 6 feet for less than 15 minutes).

Continue to engage in social distancing, wear appropriate face coverings, and practice good hygiene.

1. Monitor for symptoms.
2. Quarantine for 14 days and get tested if you feel sick.
3. Report situation to DawgCheck and follow recommendations from DawgCheck.
4. Communicate with your supervisor.

1. Monitor for symptoms.
2. Continue to engage in social distancing, wear appropriate face coverings, and practice good hygiene.

1. Follow CDC Guidelines to stay home, separate yourself from other people, monitor symptoms, and get tested if you haven’t already.
2. Report situation to DawgCheck and follow recommendations from DawgCheck.
3. Contact healthcare provider for guidance if needed.
4. Notify your supervisor.

1. Monitor for symptoms.
2. Quarantine for 14 days and get tested if you feel sick.
3. Report situation to DawgCheck and follow recommendations from DawgCheck.
