Before coming to campus, use DawgCheck to monitor for symptoms of COVID-19

Are you experiencing any symptoms of COVID-19 or do you have a positive test result for COVID-19?

YES I have symptoms and/or a positive test

1. Follow CDC Guidelines to stay home, separate yourself from other people, monitor symptoms, and get tested if you haven’t already.
2. Report situation to DawgCheck and follow recommendations from DawgCheck.
3. Call your healthcare provider, the student health center, or other source of local healthcare for guidance if needed.
4. Communicate with your Campus Contact.
5. Contact your course coordinators regarding specific class concerns.

NO I do NOT have symptoms or a positive test

Have you been in contact with someone who has been diagnosed with or tested positive for COVID-19?

YES

Yes, I have had direct physical contact or close contact (within 6 feet for 15 minutes or more).

1. Monitor for symptoms.
2. Quarantine for 14 days and get tested if you feel sick.
3. Report situation to DawgCheck and follow recommendations from DawgCheck.
4. Communicate with your Campus Contact.

Yes, I have had non-close contact (farther apart than 6 feet or within 6 feet for less than 15 minutes).

1. Monitor for symptoms.
2. Continue to engage in social distancing, wear appropriate face coverings, and practice good hygiene.

NO
