

Spring Semester 2021
SECOND YEAR SCHEDULE
(Updated January 13, 2021)

NOTE

The schedule book is only meant to be a guide and in no way replaces the course syllabus. If there are any discrepancies between the syllabi and schedule book, the syllabi take precedence. If you have any questions, please contact Dr. Duc Do or Ms. Cicely Hemphill.

GENERAL FORMAT

To ensure COVID-19 safety guidelines are followed, students will be divided into six teams. Each week, two teams of students will take classes face-to-face (F2F), while the other four teams will participate in course activities synchronously via online videoconferencing (e.g., Zoom). With this hybrid instructional model, two teams of students will be on campus for an entire week every three weeks. There will be exceptions for some weeks. Please review the schedule book thoroughly for details.
