Decision Tree
College of Pharmacy Students

Before coming to campus, use DawgCheck to monitor for symptoms of COVID-19

Are you experiencing any symptoms of COVID-19 or do you have a positive test result for COVID-19?

YES
I have symptoms and/or a positive test

NO
I do NOT have symptoms or a positive test

1. Follow CDC Guidelines to stay home, separate yourself from other people, monitor symptoms, and get tested if you haven’t already.
2. Report situation to DawgCheck and follow recommendations from DawgCheck.
3. Call your healthcare provider, the student health center, or other source of local healthcare for guidance if needed.
4. Communicate with your Campus Contact.
5. Contact your course coordinators regarding specific class concerns.

Have you been in direct physical or close contact* with someone who has been diagnosed with or tested positive for COVID-19?

YES
I have had direct/close contact

NO

Campus Contact will
• Work with student to determine when return-to-campus criteria are met and the student can be cleared to return.
• Notify course coordinator/appropriate faculty when student is eligible to return to campus.

1. Monitor for symptoms.
2. Quarantine per current CDC guidelines (10-day option allowed per UGA).
3. Report situation to DawgCheck and follow recommendations from DawgCheck.
4. Communicate with your Campus Contact.

*Close Contact
Close contact is defined as being within 6 feet of an infected person for a cumulative total of 15 minutes or more over a 24-hour period* starting from 2 days before illness onset (or, for asymptomatic patients, 2 days prior to test specimen collection) until the time the patient is isolated.

*Individual exposures added together over a 24-hour period (e.g., three 5-minute exposures for a total of 15 minutes).
