

Spring 2022  
 Elective Courses  
 (Updated December 3, 2021)

NCRR = No Classroom Required

**POI = Permission of Instructor REQUIRED. If a course requires POI, students must obtain such permission directly from the INSTRUCTOR before they can register for the course in ATHENA.**

*Descriptions of courses can be found on the UGA Bulletin (<https://bulletin.uga.edu/MajorsHome>) and CoP Student Handbook (<https://rx.uga.edu/students/current-pharmd-students>). Students are encouraged to contact instructors for detailed information about their courses.*

Course Name	Course Number	CRN	Credit Hours	Instructor	Day / Time / Room	Campus Locations / Class Size	Eligible Students

							<b>Contact the instructor for information.</b>
Research and Scholarship in Pharmacy - Focused Areas	PHRM 5980	ATH: 59998 ALB: 59999 AUG: 60000 SAV: 60001	2	Multiple Instructors	TBD	All Campuses Max 10	P2 and P3 – <b>POI</b>
	<p>This course will introduce 2<sup>nd</sup> or 3<sup>rd</sup> year PharmD students to a specialized research topic (e.g. Translational, Academia, Oncology, Ambulatory Care, Nutrition, Cardiovascular, Women’s Health, Infectious Disease, etc.) and provide training to develop the skills for research study design/conduct and medical writing within one of these focused areas of pharmacy practice. <b>This course requires “permission of instructor”. Dr. Clemmons coordinates the course; however, students work directly with their faculty project mentor. If you are interested in this course, please contact the instructor that you would like to work with to learn more information.</b></p> <p><i>INSTRUCTORS</i></p> <p><i>Note: Not all instructors offer projects each semester. Additional instructors may be utilized as necessary.</i></p> <ul style="list-style-type: none"> <li>• Daniel B.
