

Decision Tree College of Pharmacy Students

**ARE YOU EXPERIENCING ANY SYMPTOMS OF COVID-19 OR
DO YOU HAVE A POSITIVE TEST RESULT FOR COVID-19?**

YES

I have symptoms and/or a positive test.

1. Follow [CDC Guidelines](#) to stay home, separate yourself from other people, monitor symptoms, and get tested if you haven't already.
2. Report positive test to [DawgCheck](#) and follow recommendations from DawgCheck.
3. Call your healthcare provider, the student health center, or other source of local healthcare for guidance if needed.
4. Communicate with your Campus Contact.
5. Contact your course coordinators regarding specific class concerns.

Campus Contact will

- Work with student to determine when [return-to-campus criteria](#) are met and the student can be cleared to return.
- Notify course coordinator/appropriate faculty when student is eligible to return to campus.

Campus Contacts

- Athens: Duc Do (duc.do@uga.edu)
- Albany/Augusta/Savannah: Rusty May (jmay@augusta.edu)

NO

I do NOT have symptoms or a positive test.

Have you been in close contact with someone who has been diagnosed with or tested positive for COVID-19?

YES

NO

1. Monitor for symptoms.
2. Continue to follow prevention measures.

***Have you been boosted OR
Have you completed the primary series of Pfizer or Moderna vaccine within the last 6 months OR
Have you completed the primary series of J&J vaccine within the last 2 months?***

YES

1. Do not need to quarantine.
2. Wear a mask around others for 10 days.
3. Test on day 5, if possible.
4. If you develop symptoms, get tested and stay home.

NO

1. Stay home for 5 days.
2. Wear a mask around others for 5 additional days.
3. Test on day 5, if possible.
4. If you develop symptoms, get tested and stay home.
