

Decision Tree College of Pharmacy APPE Students

**ARE YOU EXPERIENCING ANY SYMPTOMS OF COVID-19 OR
DO YOU HAVE A POSITIVE TEST RESULT FOR COVID-19?**

At a minimum, experiential site policies will be followed. Any more stringent site policies will supersede the below.

YES

I have symptoms and/or a positive test.

1. Do not report to your site. Contact your Regional Coordinator and preceptor *immediately* to determine next steps.
2. In the interim, follow [CDC Guidelines](#) to stay home, separate yourself from other people, monitor symptoms, and get tested if you haven't already.
3. ALL POSITIVE TESTS must be reported to your Regional Coordinator *immediately* (this includes during vacation blocks and scheduled breaks).

Regional Coordinator will:

- Work with student and preceptor/site to determine when student can be cleared to return based on site policies.
- Work with preceptor to ensure any missed time is adequately made up.

Regional Coordinators
