

COVID-19 DECISION TREE

UNIVERSITY OF
GEORGIA
College of Pharmacy

For College of Pharmacy *Students*

DO YOU HAVE A POSITIVE TEST RESULT FOR COVID-19?

YES

1. Follow [CDC Guidelines](#) to stay home for at least 5 days and separate yourself from others regardless of vaccination status.
 - If after 5 days, you are fever-free for 24 hours without the use of medication, and your symptoms are improving, or you never had symptoms, you may end isolation after day 5.
 - Wear a high-quality mask through day 10.
2. Call your healthcare provider, the student health center, or other source of local healthcare for guidance if needed.
3. Communicate with your Campus Contact.
4. Contact your course coordinators regarding specific class concerns.

Campus Contact will...

- Work with student to determine when they should return to campus based on CDC Guidelines.
- Notify course coordinator/appropriate faculty.

CAMPUS CONTACTS

- Athens: Duc Do (duc.do@uga.edu)
- Albany/Augusta/Savannah: Rusty May (jmay@augusta.edu)

NO

Are you sick and suspect that you might have COVID-19 but do not yet have test results?

YES

Isolate and wait for test results.

- If your results are positive, follow CDC's isolation recommendations (shown on the left).
- If your results are negative, you can end your isolation.

NO

Do not need to quarantine.

CDC RECOMMENDATIONS ON EXPOSURE TO COVID-19

If you were exposed to COVID-19, wear a high-quality mask for 10 days and get tested on day 6. Quarantine is not required.
