

Phoebe is nationally recognized for clinical excellence and innovative community health programs.

About Phoebe Putney Health System

Phoebe Putney Health System is a not-for-profit network of more than 4,500 physicians, nurses, professional staff, and volunteers. We deliver compassionate, high quality healthcare to more than 500,000 residents in our 41-county region. Phoebe is dedicated to providing a better way to health and wellness for our entire community.

We are a recognized leader in specialties including cardiovascular medicine, oncology, orthopaedics, and women's health; and we offer patients the most advanced diagnostic and therapeutic treatments available.

Quick Facts

- Established in 1911
- DNV-GL Accredited
- 85,000+ Emergency Center visits annually

PGY1 Pharmacy Residency

Phoebe Putney Memorial Hospital The University of Georgia

417 Third Avenue, Albany, Georgia 31706
229-312-0120 | phoebehealth.com

Purpose

Phoebe's PGY1 residency program builds upon Doctor of Pharmacy (PharmD) education and outcomes to develop pharmacist practitioners with knowledge, skills, and abilities as defined in the educational competency areas, goals, and objectives. Residents who successfully complete PGY1 residency programs will be skilled in diverse patient care, practice management, leadership, and education, and be prepared to provide patient care, seek board certification in pharmacotherapy (i.e., BCPS), and pursue advanced education and training opportunities including postgraduate year two (PGY2) residencies.

Resident Benefits

- Estimated stipend: \$51,000
- Competitive medical, dental, and vision plans available
- State-of-the-art HealthWorks fitness facility in Albany
- Low cost of living

Required Learning Experiences

- Orientation / Medication Dispensing (July-August)

Other required experiences (one calendar month each)

- Critical Care
- Emergency Medicine
- Infectious Diseases
- Inpatient Oncology
- Internal Medicine
- NICU/Pediatrics
- Outpatient Family Medicine

Elective Learning Experiences

(one calendar month each) Two of the following:

- Academia in Acute Care
- Cardiology
