

Spring 2025
Elective Courses

UPDATED DECEMBER 18, 2024

Students are required to complete 11 credit hours of electives by the end of the P3 Spring year. Review the Student Handbook for detailed information on elective requirements.

POI = Permission of Instructor REQUIRED. *If a course requires POI, students must obtain permission directly from the INSTRUCTOR before they can register for the course in ATHENA.*

Duplicate PHRM 5210 or 5980 Registration: If you plan to take two different PHRM 5210 or 5980 classes simultaneously in the Spring semester, please add the first class to your schedule on ATHENA. Next, add your information to this Qualtrics Form: [Duplicate Course Spring 2025](#).

To request permission to add the second class, Mr. Evans must perform an override before you can register. Please add the second class to your schedule 24 hours after submitting your information on the Qualtrics form.

Pre-requisite/Co-requisite Error: To avoid receiving a pre-/co-requisite error message, put CRNs for all core classes at the same time (under Add Classes Worksheet below Drop or Add Classes tab) before you click "Submit Changes" to register.

If you have any questions or problems with registration, contact Mr. David Evans, Sr. Academic Advisor, at evans280@uga.edu.

Descriptions of courses can be found on the UGA Bulletin (<https://bulletin.uga.edu/MajorsHome>) and CoP Student Handbook (<https://rx.uga.edu/students/current-pharmd-students>). Students are encouraged to contact instructors for detailed information about their courses.

NCRR = No Classroom Required

Course Name	Course Number	CRN	Credit Hours	Instructor	Day / Time / Room	Campus Locations / Class Size	Eligible Students
Introduction to Drugs, Biologics, and Devices Regulated by the FDA	PHAR 4010E	71890	3	Gowda	ONLINE	All Campuses Max 25	P2 and P3
Introduction to Pharmaceutical, Biotechnology and Medical Devices Industries	PHAR 6010E	38371	4	Silva, Hodges, Kilgos	ONLINE	All Campuses Max 20	P2 and P3 – POI Only for P2 or P3 students who are pursuing a certificate/MS degree in International Biomedical Regulatory Sciences. For information, contact Johnna Hodges at jhodges@uga.edu.
Pharmacotherapeutic Issues in Women's Health	PHRM 4500	ATH: 59914 ALB: 65250 AUG: 65251 SAV: 65252	1	Stone	Tuesday 4:00–5:00 pm ZOOM	All Campuses Min 5 Max 45	P2 and P3
Pharmacy and Therapeutic Drug Evaluation	PHRM 4740	ATH: 62677 ALB: 62678 AUG: 62679 SAV: 62680	3	Seagraves	NCRR	All Campuses Min 5 Max 20	P2 and P3 – POI Only open to students who participate in the AMCP P&T Competition.
Specialty Pharmacy/Lab	PHRM 4830/L	Lecture 71640 Lab 71641 <i>Must register for both components</i>	2	Seagraves, Khail, Huang	Tuesday/Thursday 3:00–4:00 pm Lab component every three weeks on Tuesdays and Thursdays from 3:00–6:00 pm PS 230 and PS 215	Athens Only Min 4 Max 20	P2 and <u>ATHENS</u> P3 ONLY
