

**University of Georgia College of Pharmacy
Faculty and Staff Code of Conduct**

Faculty and staff at the College of Pharmacy are expected to adhere to the following components of this Code of Conduct:

Maintain high professional standards and adhere to all the policies of the University of Georgia and the Board of Regents.

Ensure that all components of the student educational program are of high quality.

Create, facilitate, and maintain an environment and academic culture that promotes harmonious and collegial professional relationships among faculty, students, administrators, preceptors, and staff of the College.

Demonstrate competency in all the applicable areas of the student competency statement: “Demonstrate professional behaviors and values”.
