

**Christopher M. Bland, Pharm.D., FCCP, FIDSA, BCPS**

477 Castleoak Drive  
Richmond Hill, GA 31324  
(706) 267-5123  
[cmbland@uga.edu](mailto:cmbland@uga.edu)

---

**Education**

August 1996-May 2000

**Doctor of Pharmacy**  
University of South Carolina  
Columbia, South Carolina  
*Magna Cum Laude*

August 1994-May 1996

**Pre-Pharmacy Curriculum**  
University of South Carolina-Aiken  
Aiken, South Carolina

---

**Licensure/Certification**

October 2007-April 2014

**Advanced Cardiac Life Support Certification**  
American Heart Association

March 2006-present

**Georgia Pharmacy License**  
License number RPH 022956

Dec 2003-present

**Board Certified Pharmacotherapy Specialist**  
Board of Pharmaceutical Specialties  
*Top Overall National Score on 2010 Recertification Exam*

Feb 2002-May 2015

**Pharmacokinetics Credentials**  
Dwight D. Eisenhower Army Medical Center

July 2000-present

**South Carolina Pharmacy License**  
License number 10093

October 2000-2015

**Basic Cardiac Life Support Certification**  
American Heart Association

---

**Professional Experience**

July 2016-

**Clinical Associate Professor**  
University of Georgia College of Pharmacy  
Southeast Georgia Campus  
Savannah, GA 31405

June 2015-June 2016

**Clinical Assistant Professor  
University of Georgia College of Pharmacy  
Southeast Georgia Campus  
Savannah, GA 31405**

**Responsibilities include:**

- Provide didactic lectures in infectious diseases therapeutics
- Lead discussions in case-based courses for infectious diseases
- Serve on committees within the Clinical and Administrative Pharmacy Division and College of Pharmacy
- Precept graduate students (pharmacy residents) in patient care and academia as well as mentor and director for graduate teaching certificate for Savannah campus
- Precept pharmacy students during their progressive care unit rotations (APPEs)
- Provide a variety of clinical services for the progressive care unit at St. Joseph's/Candler Health System for the progressive care unit as well as antimicrobial stewardship support

January 2005-May 2015

**Critical Care Pharmacist/Infectious Diseases  
Specialist (Clinical Pharmacy Specialist)  
Inpatient Clinical Pharmacy Supervisor (2008-2013)  
Dwight D. Eisenhower Army Medical Center  
Building 300  
Hospital Road  
Fort Gordon, GA 30905**

**Responsibilities included:**

- Participation in daily multidisciplinary rounds for the medical/surgical intensive care unit, providing daily recommendations and routine pharmacotherapy services
- Provide consistent formal education for internal medicine, family medicine, general surgery, and orthopedic residency programs
- Co-director of Inpatient Anticoagulation Management Service (IAMS) with cardiology for management of all inpatients requiring systemic anticoagulation
- Staffed anticoagulation clinic of 550 outpatients including staff training of clinical pharmacists who participate in clinic and consultant for novel anticoagulant initiation/change of therapy
- Serve as family medicine pharmacist including outpatient clinic visits and drug information specialist
- Joint coordinator of microbiology "plate" rounds with infectious diseases for internal medicine housestaff as well as director for antimicrobial stewardship activities
- Established pharmacist-driven blood culture consultant service for antimicrobial stewardship
- Established and implemented extended infusion piperacillin-tazobactam antibiotic therapy policy hospital wide

- Established bariatric pharmacotherapy consult service for inpatient/outpatient medication management with general surgery service
- Developed multidisciplinary outpatient bariatric pharmacotherapy clinic for following bariatric patients after surgery
- Provide clinical education, staff development, and serve as intermediate supervisor for the inpatient pharmacy staff
- Participate in multidisciplinary committees including Infection prevention/control and Critical care.
- Participated in Root Cause Analyses (RCA) to help define systemic issues to augment patient safety for Drotrecogin alfa, Vancomycin Monitoring, and initial regimens for septic shock in the ED
- Developed Ketamine Infusion Policy for ICU including nurse education and training for implementation
- Serve as primary preceptor for the adult critical care medicine rotation and infectious diseases rotation as well as a secondary preceptor for an ambulatory care rotation for APPE Pharm.D. students from the University of Georgia and South Carolina College of Pharmacy

May 2002-July 2012

**Wal-Mart Pharmacy  
Part-time staff pharmacist  
South Carolina and Georgia**

- Regular staff responsibilities including accurately interpreting and performing final check on all prescriptions
- Performing patient counseling on all new prescriptions

January 2001-January 2005

**Clinical Staff Pharmacist  
Dwight D. Eisenhower Army Medical Center  
Building 300  
Hospital Road  
Fort Gordon, GA 30905**

Responsibilities included:

- Staffing inpatient pharmacy, including checking intravenous and unit dose medications for accuracy
- Performing clinical duties as ward pharmacist, including pharmacokinetics, actively participating in internal medicine patient rounds, and making other pharmacotherapy recommendations to other services on a consultant basis
- Performing oncology pharmacist duties when needed

July 2000-January 2001

**Staff Pharmacist  
Winn-Dixie Pharmacy  
Columbia, South Carolina**

- Responsibilities: Same as Wal-Mart Pharmacy

April 1997-July 2000

**Winn-Dixie Pharmacy**  
Pharmacy Intern  
Columbia, South Carolina

May 1998-August 1998

**Wal-Mart Pharmacy**  
Pharmacy Intern  
Aiken, South Carolina

---

### **Academic Appointments (Adjunct Without Salary)**

June 2011-May 2015

**University of Georgia College of Pharmacy**  
Clinical Assistant Professor

January 2013-May 2015

**South Carolina College of Pharmacy**  
Clinical Assistant Professor

---

### **Teaching Experience**

#### Didactic Teaching

<b>Semester(s)</b>	<b>Course &amp; Content</b>	<b>Format</b>	<b>Hours</b>
Spring 2018-present	Applied Pharmacy Practice (PHRM 5170)	Case Discussion Applied Lab Content Developer/Coordinator	4 contact hours
Spring 2018	Pharmacotherapy (PHRM 5870) Quiz Developer (NAPLEX format); <i>Savannah Campus Coordinator</i>	Savannah Campus Coordinator	Variable based on student need
Fall 2017	Patient Care (PHRM 7810)	Precepting of Graduate Students (Residents)	40 contact hours
Fall 2017	Residency Research (PHRM 7830)	Research Mentoring	10 contact hours
Fall 2017-present	Pharmacotherapy (PHRM 5880)	Lecture/Case Discussion	16 contact hours
Fall 2017-present	Applied Pharmacy Practice (PHRM 5160)	Case Discussion	2 contact hours
2016-present	Advanced Pharmacy Practice Experiences (PHRM 5906)	Advanced Practice Pharmacy Experiences (APPEs)	Precept 9-10 students annually with a 5-week rotation in Internal Medicine (40 contact hours per student per rotation)

Spring 2017	Pharmacotherapy (PHRM 5870) Quiz Developer (NAPLEX format); <i>Savannah Campus Coordinator</i>	Lecture/Case discussion	4 contact hours
Spring 2017-present	Integrated Patient Care (PHRM 5210) <i>Savannah Campus Coordinator</i>	Lecture	2 contact hours annually
Spring 2017-current	ID and Antitumor agents (PHRM 4180)	Lecture	3 contact hours annually
Spring 2017-current	Essentials of Pharm. Practice (PHRM 4040)	Lecture/Lab	18 contact hours annually
Fall 2016	Pharmacotherapy (PHRM 5860); Quiz Developer (NAPLEX format); <i>Savannah Campus Coordinator</i>	Lecture (1 hour); Class discussion (4 hours)	4 contact hours
Fall 2016	Clinical Pharmacokinetics (PHRM 5261)	Lecture (6 hours)	6 contact hours
Fall 2016	P3 Skills Lab (PHRM 5140)	Interactive Skills Lab	4 contact hours
Fall 2016	Teaching in Pharmacy Practice I (PHRM 7940)	Graduate Course	Various
Fall 2016	Intro to Postgraduate Residency Training (PHRM 5850)	Class Discussion and Mock Interviews	4 contact hours
Spring 2016	Clinical Seminar (PHRM 5920): Co-course coordinator	Seminar Advising/Grading	15 contact hours
Spring 2016	Pharmacotherapy (PHRM 5860)	Lecture (2 hours) Class discussion (4 hours)	4 contact hours
Fall 2015	Intro to Postgraduate Residency Training (PHRM 5850)	Mock Interview (1 hour)	1 contact hour P3 Pharm.D. class
Fall 2015	Pharmacotherapy (PHRM 5860)	Lecture (1 hour) Class discussion (2 hours)	2 contact hours P3 Pharm.D. class
Fall 2015	P2 Skills Lab (PHRM 4120)	Lecture/Discussion (3 hours)	3 contact hours P2 Pharm.D. class
Fall 2015	Clinical Pharmacokinetics (PHRM 5261)	Lecture (1 hour)	1 contact hour P3 Pharm.D. class
Fall 2013-present	Critical Care Elective (PHRM 5370)	Lecture 1 hour Class discussion (2 hour)	2 contact hours annually P3 Pharm.D. class
Fall 2015	P3 Skills Lab (PHRM 5140)	Skills Lab	4 contact hours P3 Pharm.D. class
Fall 2014	Pharmacotherapy (PHRM 5860)	Lecture (1 hour) Class discussion (2 hours)	2 contact hours P3 Pharm.D. class

Fall 2013	Pharmacotherapy (PHRM 5860)	Lecture (1 hour) Class discussion (2 hours)	2 contact hours P3 Pharm.D. class
Fall 2012	Pharmacotherapy (PHRM 5860)	Lecture (1 hour) Class discussion (2 hours)	2 contact hours P3 Pharm.D. class
Fall 2011	Pharmacotherapy (PHRM 5860)	Lecture (1 hour) Class discussion (2 hours)	2 contact hours P3 Pharm.D. class
Fall 2010	Pharmacotherapy (PHRM 5860)	Lecture (1 hour) Class discussion (2 hours)	2 contact hours P3 Pharm.D. class

## Grant Submissions

**Bland CM**, Jones B, Maddox R. The Use of Pre-Pen Skin Testing as an Antimicrobial Stewardship Initiative in a Not-for-profit Community Health System. *Grant funded by ALK Pharmaceuticals January 2016 for \$80,000.*

Phillips B, **Bland CM**, Deremer D, Phan S. PHRM 5560 Integrated Patient Care Faculty Achievement in Classroom (FACT) Grant. *Grant funded by Instructional Design and Technology Office from UGA College of Pharmacy for \$1200.00 from 2016-17.*

Ebell MH, Shen Y, Green DE, **Bland CM**, Handel A. Which patients and healthcare providers are more likely to use antibiotics inappropriately? *Grant not funded by Robert Wood Johnson Foundation for \$150,000.*

**Bland CM**, Heil EH, Jones BM. Assessment of long-term antimicrobial prescribing in patients who have documented negative allergy after receiving Pre-Pen testing: A multicenter study. Grant submitted January 2017 to ALK Pharmaceuticals. *Grant funded for \$43,986.26.*

Hawkins WA, **Bland CM**, Branan TN, Newsome AS, Smith SE. Characterization of fluid input during critical illness. *Grant funded for \$7000.00 from UGA COP Faculty Seed Grant(Dean's Pharmacy Special Endowment Fund and Todd Morris Pharmacy Practice Support Fund).*

Chastain DB, Young HN, Hawkins WA, Bland CM, Fleming VH, Franco-Paredes C. Evaluating the use of lipid-associated formulations of amphotericin B. *Grant funded for \$1000.00 from UGA COP Faculty Seed Grant.*

Jones BJ, Bland CM, Wynn M. Use of Continuous-Infusion Ceftolozane/Tazobactam in the Outpatient Setting. *Grant funded for \$9390.92 from Merck Pharmaceuticals.*

---

## Poster/Podium Presentations

Crosby C, **Bland CM**, Jones BM, Orvin D. Is the price right? Measuring the financial impact associated with the transition to Bayesian clinical decision support software for vancomycin dosing and monitoring. *To be virtually presented at ASHP Midyear December 2020.*

Johnson A, Hungerpiller JC, Zheng L, Easterling M, Teng C, **Bland CM**, Bookstaver PB. From start to finish: examining factors associated with higher likelihood of publication among abstracts presented at infectious diseases scientific meetings. *Virtually presented at ACCP Annual Meeting in October 2020.*

Zheng L, Easterling, Johnson A, Hungerpiller JC, Teng C, Bookstaver PB, **Bland CM**. Publish or perish: variables associated with publication of abstracts presented at national pharmacy meetings. *Virtually presented (research in progress) at ACCP Annual Meeting in October 2020.*

Murray EY, Pizzuti A, **Bland CM**, Wagner JL, Gaul D, Jones BM. Financial Analysis of Dalbavancin for Acute Bacterial Skin and Skin Structure Infections in a self-pay population. *Virtually presented at IDWeek in October 2020.*

Jones BM, Plauche E, Smith S, **Bland CM**. Evaluating the Utility of a Penicillin Allergy Reconciliation Program within an Infectious Diseases Consult Population in a Community Hospital. *Virtually presented at IDWeek in October 2020.*

Oliver D, Wagner J, Jones BM, Stover KR, Watts M, Kufel W, McDowell L, McGee E, Stevenson L, **Bland CM**. Evaluation of Knowledge and Confidence Among Students on Advanced Practice Experiences Regarding Beta-lactam Allergy Management. *Presented at American Association of Colleges of Pharmacy Virtual Pharmacy Education Meeting June 2020.*

Phillips BB, Palmer R, Newsome AS, Smith K, Chastain D, **Bland CM**. Evaluation of a Qualitative Approach Used to Drive Re-Design of a Pharmacists' Patient Care Process

Capstone Course. *Presented at American Association of Colleges of Pharmacy Virtual Pharmacy Education Meeting June 2020.*

Pizzuti AG, Murray EY, Gaul DA, Wagner JL, **Bland CM**, Jones BM. Financial comparison of a self-pay population discharged to receive dalbavancin versus standard of care for acute bacterial skin and skin structure infections (ABSSSI). GSHP Virtual Poster Competition April 2020.

Asbell A, Jones BM, **Bland CM**. Evaluating the Incidence of Penicillin Allergy Re-labeling in Patients with a Negative Penicillin Skin Test. GSHP Virtual Poster Competition April 2020. *Named Student Poster Finalist.*

**Bland CM**, White N, Lin J, Wagner J, Stover K, Bookstaver PB, Chastain D, Matson H, Motes M, Jones BM. Evaluation of *Stenotrophomonas maltophilia* non-susceptibility and associated risk factors: a multi-center analysis. Accepted for presentation at European Congress of Clinical Microbiology and Infectious Diseases Meeting in Paris, France for April 2020. Due to COVID-19 pandemic, abstract published online and placed in abstract official book.

**Bland CM**, Asbell A, Heil EL, Jones BM. Back to the future: comparison of beta-lactam days of therapy before and after negative penicillin skin testing. Accepted for presentation at European Congress of Clinical Microbiology and Infectious Diseases Meeting in Paris, France for April 2020. Due to COVID-19 pandemic, abstract published online and placed in abstract official book.

Clemmons A, Chastain DB, Young H, Hayashi M, Kennedy E, **Bland CM**. Incidence and utility of follow-up blood cultures in hematology/oncology patients with Gram-negative bacteremia. Accepted for presentation at European Congress of Clinical Microbiology and Infectious Diseases Meeting in Paris, France for April 2020. Due to COVID-19 pandemic, abstract published online and placed in abstract official book.

Hawkins DA, Dossett DP, Smith SE, Newsome AS, Carr J, **Bland CM**, Branan TM. The Pharmacist Role in Fluid Stewardship in a Medical ICU. *Presented at Society of Critical Care Medicine Critical Care Congress in Orlando, FL on January 29, 2020.* Abstract # 1445.

Asbell A, Jones BM, **Bland CM**. Evaluating the incidence of penicillin allergy re-labeling in patients with a negative penicillin skin test. *Presented at ASHP Midyear in Las Vegas, NV December 2019.*

Hayashi M, Jackson B, Folsom C, Chastain D, **Bland CM**, Rudraraju M, Young H, Clemmons A. Evaluation of follow-up blood cultures for gram-negative bacteremia in hematology/oncology patients. *Presented at ASHP Midyear in Las Vegas, NV December 2019.*

Dossett DP, Smith SE, **Bland CM**, Wilson CS, Hawkins WA. Frequency of fluid stewardship recommendations made by pharmacists in a medical intensive care unit. *Presented at ASHP Midyear in Las Vegas, NV December 2019.*

Vaggalis T, Parker C, Jones BM, **Bland CM**. Effectiveness of penicillin skin testing on intensive care unit patient within a community health system. *Presented at ASHP Midyear in Las Vegas, NV December 2019.*

Oliver DR, Jones B, Wagner JL, Stover KR, **Bland CM**. Assessment of knowledge and confidence among student on advanced pharmacy practice experiences regarding beta-lactam allergies. *Presented at ASHP Midyear in Las Vegas, NV December 2019.*

Gamble K, Smith S, Newsome AS, Hawkins WA, **Bland CM**. Combining fluid and antimicrobial stewardship: identifying intravenous antibacterial agents contributing to intensive care unit volume status. *Presented at ASHP Midyear in Las Vegas, NV December 2019.*

Pavlichek S, **Bland CM**, Croft S. Evaluation of outcomes and appropriate use of andexanet alfa. *Presented at ASHP Midyear in Las Vegas, NV December 2019.*

Sizemore S, Gamble K, Jones BM, **Bland CM**. Assessing outcomes of penicillin allergy removal in the electronic health record following patient interview in a student-led penicillin allergy reconciliation program. *Presented at ASHP Midyear in Las Vegas, NV December 2019.*

Jackson B, Clemmons A, **Bland CM**, Young H, Folsom C, Hayashi M, Chastain D. Incidence and Utility of Repeat Blood Cultures in Hematology/Oncology Patients Hospitalized with Gram-Positive Infections. *Presented at ACCP Annual Meeting in New York, NY. Poster # Tues-PM-84.*

Dossett DP, Smith SE, Branam TM, Newsome AS, **Bland CM**, Hawkins WA. The Role of a Critical Care Pharmacist in Bedside Fluid Stewardship. *Presented at ACCP Annual Meeting in New York, NY. Poster # Mon-AM-29.*

Wagner JL, Chastain D, Dionne B, Rosenthal M, Mahoney MV, Toth J, **Bland CM**. Who is Performing Antimicrobial Stewardship? *Presented at ACCP Annual Meeting in New York, NY. Poster # Tues-AM-85.*

Dionne B, Wagner JL, Chastain D, Rosenthal M, Mahoney MV, Toth J, **Bland CM**. MeRIT project: A National Survey of Antimicrobial Stewardship Pharmacists' Practices. *Presented at ACCP Annual Meeting in New York, NY. Poster# MeRIT-21.*

Bolina J, Soriano-Pereria, J, **Bland CM**, Quidley AM, McCreary EM, Reed B, Bookstaver PB. Examining the current landscape of residency application deadlines and its impact on protected time and burnout. *Presented at ACCP Annual Meeting in New York, NY. Poster #AM-Sun-45.*

Hawkins WA, Branam TM, Smith SE, **Bland CM**, Newsome AS. Creation of a synergistic and sustainable collaborative focused on critical care education and scholarship: the evolutionary story of the University of Georgia Critical Care Collaborative (UGAC3). *Presented at ACCP Annual Meeting in New York, NY. Poster # Ann-22.*

**Bland CM** and Bookstaver PB. Establishment and execution of a practice based research network: the Southeastern Research Group Endeavor (SERGE-45) experience. *Presented at ACCP Annual Meeting in New York, NY. Poster # Ann-52.*

Smith SE, Sikora A, Hawkins WA, **Bland CM**, Branan TB. Novel multi-campus model for a critical care research elective. *Presented at ACCP Annual Meeting in New York, NY. Poster # Tues-PM-37.*

Gamble K, Smith S, Newsome AS, Branan T, Hawkins WA, **Bland CM**. Hidden Fluids in Plain Sight: Identifying Intravenous Medication Classes Contributing to Intensive Care Unit Fluid Status. *Presented at ACCP Annual Meeting in New York, NY. Poster #AM-Sat-35.*

Gamble K, Smith S, Newsome AS, Branan T, Hawkins WA, **Bland CM**. Hidden Fluids in Plain Sight: Identifying Intravenous Medication Classes Contributing to Intensive Care Unit Fluid Status. *Accepted for podium presentation as Top 3 student abstract at ACCP Annual Meeting in New York, NY which was presented on Monday October 28<sup>th</sup>, 2019.*

Asbell A, Jones BM, Heil E, **Bland CM**. Sticking around for the long-term? Evaluating the longitudinal effects of negative penicillin skin testing. *Presented at ACCP Annual Meeting as Research in Progress in New York, NY. Poster # Mon-AM-77.*

Folsom C, Clemmons A, Chastain D, Young H, Kennedy E, **Bland CM**. Diagnostic Stewardship: Clinical Outcomes Related to Repeat Blood Cultures in Hematology Oncology Patients with Bacteremia *Presented at ACCP Annual Meeting as Research in Progress in New York, NY. Poster # Mon-AM-97.*

Jones BM, Gamble K, Sizemore S, **Bland CM**. The Impact of Pharmacy Students Performing Penicillin Allergy Reconciliation in a Community Health System. *Presented at IDWeek in Washington, D.C. October 2019.*

Phillips B, Newsome AS, Palmer R, Smith K, Phan S, **Bland CM**. Evaluation of a capstone course developing patient work-up skills using the Pharmacists' Patient Care Process (PPCP). *Presented at AACP Annual Meeting in Chicago, Ill July 2019.*

Matson H, Jones BM, Motes M, Wagner J, **Bland CM**. Incidence and Risk Factors for Multidrug-resistant *Stenotrophomonas maltophilia*. *Presented at GSHP Spring Meeting in Savannah, GA on March 9<sup>th</sup>, 2019.*

Dilks JC, Young HN, **Bland CM**, Fleming V, Chastain DB. Prevalence of early discontinuation of lipid-associated formulations of amphotericin B and flucytosine for the treatment of *Cryptococcus neoformans* meningoencephalitis. *Presented at ASHP Midyear Meeting in Anaheim, CA in December 2018.*

Legacki A, Jones BM, **Bland CM**. Cutting the Carbs? Evaluation of penicillin skin testing within an antimicrobial stewardship service as a carbapenem sparing strategy within a

community health system. *Presented at ASHP Midyear Meeting in Anaheim, CA in December 2018.*

Cho K, **Bland CM**, Croft S. Evaluating the appropriate use of 4-factor prothrombin complex concentrate at a community health system. *Presented at ASHP Midyear Meeting in Anaheim, CA December 2018.*

Motes M, Jones BM, Matson H, **Bland CM**. Antimicrobial Susceptibility Patterns of *Stenotrophomonas maltophilia*: Reason for Concern? *Presented at ASHP Midyear Meeting in Anaheim, CA December 2018.*

Vu T, Lusardi K, McCreary E, Stover KR, Withers ST, **Bland CM**. Evaluation of an Infectious Diseases Healthcare Hashtag as an Educational Tool. Poster MonAM-31. *Presented at ACCP Global Conference in Seattle, WA on October 23rd 2018.*

Pierce K, Jones BM, **Bland CM**. Real-World Pharmacoeconomic Analysis of Penicillin Skin Testing: Scratching the Surface at a Community Hospital. Poster# MonAM-49. *Presented at ACCP Global Conference in Seattle, WA on October 23rd 2018.*

Pizzuti A, Patel K, McCreary EK, Heil EL, **Bland CM**, Love BL. Views of Social Media in Healthcare. Poster# MonPM-61. *Presented at ACCP Global Conference in Seattle, WA on October 23rd 2018.*

King M, Elabor A, Molnar E, Gallagher J et al. on behalf of the TOL-TAZ for Resistant Pseudomonas Study Group (**Bland CM** member). Clinical outcomes with ceftolozane-tazobactam in patients with multi drug resistant (MDR) Pseudomonas aeruginosa bloodstream infections: a multi-center study. Poster #2435. *Presented at IDWeek in San Francisco, CA in October 2018.*

Jones BM, Huelfer K, Wynn M, Young HN, **Bland CM**. Evaluation of Safety and Effectiveness of Continuous Infusion Ceftolozane/Tazobactam in the Outpatient Setting. Poster #1926. *Presented at IDWeek in San Francisco, CA in October 2018.*

Jones BM, Hamlin A, Crosby J, **Bland CM**. Clinical and Economic Outcome Evaluation with Penicillin Skin Testing as an Antimicrobial Stewardship Initiative in a Not-for-profit Community Health System. Poster #1790. *Presented at IDWeek in San Francisco, CA in October 2018.*

Phillips BB, **Bland CM**, Newsome A, Palmer R, Smith K, Phan S. A Capstone Course Utilizing the Pharmacists' Patient Care Process (PPCP) to Develop Patient Care Skills. *Presented at American Association of Colleges of Pharmacy Annual Meeting in Boston, MA in July 2018.*

Pizzutti A, Bookstaver PB, McCreary EK, Heil EL, Love B, Patel K, **Bland CM**. Views of Social Media for Educational Use. *Presented at USC Discovery Day in Columbia, SC on April 20<sup>th</sup>, 2018.*

Gallagher JC, Molnar E, Satlin M. et al on behalf of the TOL-TAZ for Resistant Pseudomonas Study Group (**Bland CM** member). Ceftolozane-tazobactam for the Treatment of Multidrug-Resistant Pseudomonas aeruginosa Infections: A Multicentre Study. *Poster # 152. European Society of Clinical Microbiology and Infectious Diseases Meeting in Madrid, Spain in April 2018.*

Porter AM, **Bland CM**, Cunningham KL, Gayheart RE, Sutton CM, Young HN, Gibson GM. Impact of Multiplex PCR and Pharmacist-Driven Physician Reporting System on Outcomes in Patients with Positive Blood Cultures. *Presented at GSHP Spring Meeting in Savannah, GA on March 24<sup>th</sup>, 2018.*

Orvin D, Jones B, **Bland CM**. Impact of Utilizing Advanced Pharmacy Practice Experience Students as Pharmacist-Extenders in an Antimicrobial Stewardship Program. *Presented at GSHP Spring Meeting in Savannah, GA on March 24<sup>th</sup>, 2018.*

Rac H, McCullough B, Jones BM, Lau S, Gibson GG, MacVane SH, Chahine EA, Crane BJ, Andrews P, Stover KR, Rumley KB, Al-Hasan MN, Nesbitt WJ, Fleming VH, **Bland CM**, Wong JR, Seddon M, Kohn J, Bookstaver PB. SERGE-45 Investigators. Novel Method of Calculating Adjusted Antibiotic Utilization by Microbiological Burden. *Oral Presentation presented at Society for Healthcare Epidemiology of America Spring Meeting. Portland, OR. April 2018.*

Smith MN, Rech MA, McCreary EK, Yeo QM, Swanson J, Lusardi KT, Rhodes NJ, **Bland CM**, Hammond DA. Critical Care and ED Pharmacists' Beliefs Regarding  $\beta$ -Lactam Therapy in Critically Ill Adults. *Snapshot theatre presentation at Society of Critical Care Medicine Annual Congress. San Antonio, TX. February 2018.*

McCreary EK, Rech MA, Smith MN, Rhodes NJ, Lusardi KT, Yeo QM, Swanson J, **Bland CM**, Hammond DA. Emergency Medicine and ID Pharmacists' Beliefs About  $\beta$ -Lactam Therapy in Critically Ill Adults. *Snapshot theatre presentation at Society of Critical Care Medicine Annual Congress. San Antonio, TX. February 2018.*

Hammond DA, Rech M, McCreary E, Smith M, Rhodes NJ, Yeo QM, Lusardi K, **Bland CM**. Critical care and ID pharmacists' beliefs about  $\beta$ -lactam therapy in critically ill adults. *Snapshot theatre presentation at Society of Critical Care Medicine Annual Congress. San Antonio, TX. February 2018.*

Abousaud M, Jones BM, **Bland CM**. Assessment of patients receiving interacting medications prior to penicillin skin testing in the inpatient setting. *Presented at ASHP 2017 Midyear Clinical Meeting on December 4<sup>th</sup>, 2017.*

Giles R, **Bland CM**, Young HN, Franco-Paredes C, Chastain DB. Lipid-associated formulations of amphotericin B: An international survey of adverse event prevention strategies. *Presented at ASHP 2017 Midyear Clinical Meeting on December 4<sup>th</sup>, 2017.*

Davis L, Polk A, Maguire C, **Bland CM**. Medication utilization evaluation of sugammadex at a community health system in Southeast Georgia. *Presented at ASHP 2017 Midyear Clinical Meeting on December 4<sup>th</sup>, 2017.*

**Bland CM**, Bookstaver PB, Gauthier T, Goff D, Heil EH, McCreary E, Stover KR, Matson H, Young H. Evaluation of Pharmacist Use of Social Media for Educational Purposes. *ACCP 2017 Annual Meeting on October 7<sup>th</sup>, 2017.*

Jones BM, Crosby J, **Bland CM**. Use of Penicillin Skin Testing as an Antimicrobial Stewardship Initiative: Clinical and Economic Evaluation at a Community Health System. *IDWeek in San Diego, CA on October 6<sup>th</sup>, 2017.*

Jones BM, Hersey R, Crosby J, **Bland CM**. Pharmacist-Directed use of Dalbavancin in Acute Bacterial Skin and Skin Structure Infections to Reduce Hospital Length of Stay. *IDWeek in San Diego, CA on October 6<sup>th</sup>, 2017.*

**Bland CM**, Heil EH, Hinton SM, Jones BM, Sasaki BH, Stover KR, Maguire CE, Fulford M. Self-perceived Knowledge and Confidence Regarding Infectious Diseases of Advanced Pharmacy Practice Experience (APPE) Students. *American Association of Colleges of Pharmacy Annual Meeting in Nashville, TN on July 16<sup>th</sup>, 2017.*

Bryan C, Porter A, **Bland CM**, Jones BM. Assessment of antimicrobials prescribed before and after implementation of a pharmacist-directed penicillin skin testing consult service for patients with a self-reported penicillin allergy. Abstract ID: 241874. *American Society of Health System Pharmacist Midyear Meeting in Las Vegas, NV on December 5<sup>th</sup>, 2016.*

Thompson B, Aw M, Um E, Hinton S, **Bland CM**. Assessment of vancomycin co-administration with anti-motility agents and toxin-binding agents in the treatment of Clostridium difficile. Abstract ID: 242792. *American Society of Health System Pharmacist Midyear Meeting in Las Vegas, NV on December 5<sup>th</sup>, 2016.*

## Guest Lectures

- |           |  |
|-----------|--|
| 2017      | <b>Antimicrobial Stewardship for Patients</b><br><i>Interactive presentation on appropriate use of antibiotics for the Public</i><br>Tift Community Center<br>Tift, GA   |
| 2014      | <b>Antimicrobial Stewardship in the Community</b><br><i>Interactive presentation on the importance of antimicrobial stewardship to pharmacy students</i><br>Student Society of Health-Systems Pharmacists<br>Presbyterian College School of Pharmacy                         |
| 2013-2015 | <b>SCCP 882 Infectious Diseases Pharmacotherapy in Patient Care Challenging Cases in Infectious Diseases</b><br><b>2 contact hours</b><br><i>Infectious Diseases Elective Lecture Focusing on complicated ID cases</i><br>South Carolina College of Pharmacy-Columbia Campus |
| 2011-2012 | <b>SCCP 882- Infectious Diseases Pharmacotherapy in Patient Care Management of Gram-Positive Bacteria</b><br><b>2 contact hours</b>  |

*Infectious Diseases Elective Lecture Focusing on MRSA and VRE coverage of newer agents including linezolid, daptomycin, tigecycline, and ceftaroline*  
South Carolina College of Pharmacy- Columbia Campus

---

## **Resident (Graduate Student) Preceptorship/Teaching**

2015-present

### **Internal Medicine/Infectious Diseases Residency Rotation-UGA/St. Joseph's Candler Health System**

*4-Week Internal Medicine pharmacy rotation focusing on many internal medicine topics with a focus on infectious diseases*

2016: Brandon Williams, Pharm.D. (Internal Medicine Pharmacist; Augusta University; Augusta, GA)

2017: Roby Hershey, Pharm.D.

2017: Alexas Polk, Pharm.D. (ED Clinical Specialist, Southeastern Regional Medical Center, Lumberton, NC)

2017-present

### **Academia Rotation- UGA/St. Joseph's Candler Health System**

*4-Week Academia rotation focusing on different aspects of an academic faculty member including areas of scholarship, teaching, and service*

2020: Adam Pizzuti, Pharm.D. (PGY-1 Resident, St. Joseph's/Candler Health System, Savannah, GA)

2019: Jasleen Bolina, Pharm.D. (PGY-2 Crit Care Resident, St. Joseph's/Candler Health System, Savannah, GA)

2019: Hannah Matson, Pharm.D. (Clinical Pharmacy Specialist, Huntsville Hospital, Huntsville, AL)

2018: John Carr, Pharm.D. (PGY-2 Crit. Care Resident, St. Joseph's/Candler Health System, Savannah GA)

2018: Melissa Johnson, Pharm.D. (Ambulatory Care Pharmacist, St. Joseph's/Candler Health System, Savannah, GA)

2017: Allison Porter, Pharm.D. (Clinical Pharmacy Manager, Fairview Park Hospital, Dublin, GA)

2017: Caitlyn Jenkins, Pharm.D. (Critical Care Specialist, Florida Hospital, Orlando, FL)

2017: Stephanie Weisberg, Pharm.D. (ID Clinical Specialist, McLeod Medical Center, Florence, SC )

2017: Cara Coffelt, Pharm.D. (ED Clinical Specialist, Wellstar Kennestone, Marietta, GA)

2013-2015

### **PGY-2 Pharmacy Critical Care Rotation (Cooperative Agreement with Georgia Regents University/University of Georgia)**

*4-week critical care pharmacy rotation focusing on*

*infectious diseases topics such as septic shock, antimicrobial PK/PD, and antimicrobial stewardship*

2013: Christy Forehand, Pharm.D., BCPS (Critical Care Pharmacist and Critical Care Residency Program Director, Augusta University, Augusta, GA)

2014: Jacqueline Bryant, Pharm.D., BCPS (Critical Care Pharmacist at Trident Medical Center, Charleston, SC)

2015: Stephanie Hyche, Pharm.D., BCPS (Critical Care Pharmacist and PGY-2 Critical Care Residency Program Director, Memorial Health System, Savannah, GA)

2012-2015

**Pharmacotherapy Elective Rotation**

**Internal Medicine Physician (IM) 2<sup>nd</sup> and 3<sup>rd</sup> Year Residents**

*2-week elective rotation precepting IM residents on pharmacotherapy topics including bariatric surgery, anticoagulation, infectious diseases including pharmacokinetics, psychiatry, and cardiology*

Dwight D. Eisenhower Army Medical Center

2012: Timothy Brown, MD

2013: James Coyle, MD

2013: Michael Phillips, MD

2013: Christopher Vaughns, MD

2014: Harris Baloch, MD

2014: Wilbur Allen, MD

2015: Nathan Jansen, MD

---

## **Reviewer/Editor Responsibilities**

**2020**

**Peer Reviewer**

American College of Clinical Pharmacy  
Infectious Diseases Self-Assessment Program

**2018**

**External Promotion Reviewer**

*Harrison School of Pharmacy (Auburn)*  
*University of Colorado*  
*Maryland School of Pharmacy*  
*University of Florida*

**2018-present**

**Editor-In-Chief**

*Naplex Question of the Week*  
*McGraw-Hill Education*

*Access Pharmacy*

Weekly feature on McGraw-Hill's AccessPharmacy front page detailing answers to practice Naplex questions with rationale.

**2018-present**

**Peer Pilot Grant Reviewer**

Georgia Clinical and Translational Science Alliance

**2018**

**Clinical Proofreader**

Concepts in Clinical Pharmacokinetics, 7<sup>th</sup> edition  
American Society of Health-System Pharmacists (ASHP)  
Lesson 15: Phenytoin and Digoxin

**2011- present**

**Content Peer reviewer as needed (Peer-reviewed Journals)**

*Drugs*

*Clinical Infectious Diseases*

*Pharmacotherapy*

*The Consultant Pharmacist*

*Journal of American Academy of Physician Assistants*

*American Journal of Pharmaceutical Education*

*Open Forum Infectious Diseases*

*Journal of American College of Clinical Pharmacy*

*PLOS One*

*American Journal of Health-Systems Pharmacists*

*Infectious Diseases in Clinical Practice*

*Critical Care Nurse*

*Journal of Infection*

*Southern Medical Journal*

**2016-2018**

**Associate Textbook Editor**

**NAPLEX 3<sup>rd</sup> edition by McGraw-Hill Publisher**

*Responsible for editing the following topics: Acute Heart Failure, Sepsis, Acute Kidney Injury, Estimation of Renal Function, Acute Coronary Syndromes, Acid-Base Disorders, Anticoagulation, Antifungals, TPN, Electrolyte Disorders, Upper GI*

**2016-2018**

**Textbook Editor-In Chief**

**Naplex Easy (McGraw-Hill) Question/Answer Platform**

**2016**

**Content reviewer- Board Certification Review Course**

*2017 American College of Clinical Pharmacy/Society of Critical Care Medicine Critical Care Prep Course  
Pharmacokinetics/Pharmacodynamics*

**2015**

**Textbook Reviewer**

*American College of Clinical Pharmacy  
Critical Care Pharmacotherapy  
Invasive Viral Infections in the Intensive Care Unit*

- 2015**                    **South Carolina Society of Health-System Pharmacy**  
*Abstract reviewer for Spring Meeting*
- 2014**                    **Associate Textbook Editor**  
**NAPLEX 2<sup>nd</sup> edition by McGraw-Hill Publisher**  
*Sole Associate Editor of textbook. Responsible for the following topics:  
Acute Coronary Syndromes, Arrhythmias, Peripheral Vascular Disease,  
Electrolyte Disorders, Chronic Heart Failure, Acute Decompensated  
Heart Failure, Parenteral Nutrition, Enteral Nutrition, Acid-Base  
Disorders, and Anticoagulation*
- 2012**                    **Subject Matter Expert of Infectious Diseases Pharmacy**  
**Specialty Practice Outline developed by Practice Analysis**  
**Taskforce for potential BPS exam for Infectious Diseases**  
American Pharmacists Association (APhA)  
Board of Pharmaceutical Specialties (BPS)
- 2011**                    **End-User Reviewer for “Immunizations in the Elderly”**  
American College of Clinical Pharmacy  
Pharmacotherapy Self-Assessment Program  
Book 7: Geriatrics
- 2008**                    **Conflict of Interest Reviewer**  
American College of Clinical Pharmacy  
Pharmacotherapy Self-Assessment Program
- 

## **Professional Presentations**

- March 2020            *Reviewing the Justification for Active Programs to De-label Penicillin  
Allergies*  
SHEA and CDC Decennial International Conference on Healthcare  
Associated Infections  
Atlanta, GA (Slides uploaded online for viewing due to COVID-19)
- January 2020        *Short is In: Update on Antimicrobial Duration of Therapy*  
New York State Council of Health-system Pharmacists  
Webinar
- December 2019      *Drug Dosing in Obesity: A Huge Problem for Patients and Providers  
Alike*

University Learning Systems Continuing Education Interprofessional  
Symposium: Current Treatment Strategies  
Las Vegas, NV

December 2019 *Diabetes Pharmacotherapy Update: Focus on Integrating Newer Agents  
into Clinical Practice*

University Learning Systems Continuing Education Interprofessional  
Symposium: Current Treatment Strategies  
Las Vegas, NV

December 2019 *Bariatric Surgery: Getting to the Gut of the Matter*

University Learning Systems Continuing Education Interprofessional  
Symposium: Current Treatment Strategies  
Las Vegas, NV

October 2019 *Practical Pearls to Implementing Practice Based Research within  
Networks*

ACCP Annual Meeting  
Health Outcomes Business Meeting  
New York, NY

October 2019 *Seize the Day! Update in the Management of Epilepsy*

MCE Primary Care Update: Geriatrics, Pharmacology, and Pulmonology  
Nashville, TN

October 2019 *Polypharmacy and the Elderly: Minimizing Untoward Effects Through  
Prudent Prescribing*

MCE Primary Care Update: Geriatrics, Pharmacology, and Pulmonology  
Nashville, TN

October 2019 *Migraine! Clinical Review of Migraine Headaches with Corresponding  
Treatments*

MCE Primary Care Update: Geriatrics, Pharmacology, and Pulmonology  
Nashville, TN

October 2019 *New Antimicrobial Update: Is True Help Here?*

MCE Primary Care Update: Geriatrics, Pharmacology, and Pulmonology  
Nashville, TN

September 2019 *Multi-Drug Resistant Gram-Negative Infections: Evidence-Based  
Management and Outcomes*

Antimicrobial Resistance-From Pathogenesis to Patient Care  
ACCP International Symposium  
London, United Kingdom

- September 2019 *Multi-Drug Resistant Gram-Positive Infections: Evidence-Based Management and Outcomes*  
Antimicrobial Resistance-From Pathogenesis to Patient Care  
ACCP International Symposium  
London, United Kingdom
- September 2019 *Patient Cases: Applying the Evidence*  
Antimicrobial Resistance-From Pathogenesis to Patient Care  
ACCP International Symposium  
London, United Kingdom
- September 2019 *Antimicrobial Resistance: Threats and Pathogenesis*  
Antimicrobial Resistance-From Pathogenesis to Patient Care  
ACCP International Symposium  
London, United Kingdom
- August 2019 *The Convergence of Microbiology and Pharmacy to Enhance Antibiotic Stewardship with Bloodstream Infections: The Need for Speed*  
Association for Professionals in Infection Control and Epidemiology  
New Orleans, LA
- July 2019 *Practical Considerations for Penicillin Allergy Assessment and Management*  
Alabama Society of Infectious Diseases Antimicrobial Stewardship Conference  
Birmingham, AL
- July 2019 *Polypharmacy and the Elderly*  
MCE Pharmacology and Office Orthopedics for Primary Care Conference  
Orlando, FL
- July 2019 *New Antimicrobial Update. True Help is Here?*  
MCE Pharmacology and Office Orthopedics for Primary Care Conference  
Orlando, FL
- July 2019 *Making Sense of Hypertension Guidelines: How low should we go?*  
MCE Pharmacology and Office Orthopedics for Primary Care Conference  
Orlando, FL
- July 2019 *What a Headache! Clinical Review of Different Headaches with Corresponding Treatments*  
MCE Pharmacology and Office Orthopedics for Primary Care Conference

Orlando, FL

- July 2019      *Symptom Management at the End of Life: Palliative Care Medicine Update*  
MCE Pharmacology and Office Orthopedics for Primary Care Conference  
Orlando, FL
- May 2019      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*  
Virginia Commonwealth University  
Richmond, VA
- May 2018      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*  
Wingate University School of Pharmacy  
Wingate, NC
- May 2018      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*  
South Carolina College of Pharmacy  
Columbia, SC
- April 2018      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*  
Medical University of South Carolina  
Charleston, SC
- April 2019      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*  
University of Georgia College of Pharmacy  
Athens, GA

- April 2019      *What a Headache! Clinical Review of Different Headaches with Corresponding Treatments*  
University Learning Systems Continuing Education Interprofessional Symposium  
Nieuw Statendam Eastern Caribbean Cruise
- April 2019      *Polypharmacy and the Elderly*  
University Learning Systems Continuing Education Interprofessional Symposium  
Nieuw Statendam Eastern Caribbean Cruise
- April 2019      *Seize the day! Update in the Management of Epilepsy*  
University Learning Systems Continuing Education Interprofessional Symposium

- June 2018      *The Convergence of Microbiology and Pharmacy to Enhance Antibiotic Stewardship with Bloodstream Infections: The Need for*

*Speed*  
ASM Microbe BioMerieux Knowledge Exchange  
Atlanta, GA

- May 2018      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*  
Virginia Commonwealth University  
Richmond, VA
- May 2018      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*  
Wingate University School of Pharmacy  
Wingate, NC
- May 2018      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*  
South Carolina College of Pharmacy  
Columbia, SC
- May 2018      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*  
Medical University of South Carolina  
Charleston, SC
- April 2018      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*  
Shenandoah University  
Winchester, VA
- April 2018      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation,*

*infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*

University of Georgia College of Pharmacy  
Athens, GA

- February 2018      *The Clinical Pharmacist- Your partner in achieving antimicrobial stewardship goals*  
Education Workshop  
Society of Critical Care Medicine Annual Congress (Not official programming) **(International Meeting)**  
San Antonio, TX **(Invited Speaker)**
- February 2018      *Pharmacokinetics/Pharmacodynamics*  
ACCP's Updates in Therapeutics 2018  
Infectious Diseases Preparatory Review and Recertification Course  
**(National Meeting)**  
Jacksonville, FL **(Invited Speaker)**
- December 2017      *Are you really allergic to penicillin? Practical pearls for evaluating self-reported penicillin allergies and implementing penicillin skin testing as an antimicrobial stewardship tool*  
ASHP Midyear Meeting **(National Meeting)**  
Orlando, FL **(Invited Speaker with Bruce Jones, Pharm.D. and Emily Heil, Pharm.D.)**
- December 2017      *The Convergence of Microbiology, Rapid Reporting and Pharmacy Decision to Enhance Antibiotic Stewardship Initiatives*  
ASHP Midyear Meeting Satellite Symposium **(National Meeting)**  
Orlando, FL **(Invited Speaker)**
- November 2017      *Making Sense of Hypertension Guidelines: How low should we go?*  
*Pharmacology and Geriatrics for Primary Care Continuing Medical Education Conference*  
MCE Conferences  
Honolulu, HI **(Invited Speaker)**
- November 2017      *Symptom Management at the End of Life: Palliative Care Medicine Update*  
*Pharmacology and Geriatrics for Primary Care Continuing Medical Education Conference*  
MCE Conferences  
Honolulu, HI **(Invited Speaker)**

- November 2017 *Epidemiology and Treatment of Skin/Soft Tissue Infections including MRSA.*  
*Pharmacology and Geriatrics for Primary Care Continuing Medical Education Conference*  
MCE Conferences  
Honolulu, HI **(Invited Speaker)**
- November 2017 *Update on the Treatment of Diabetes*  
*Pharmacology and Geriatrics for Primary Care Continuing Medical Education Conference*  
MCE Conferences  
Honolulu, HI **(Invited Speaker)**
- October 2017 *Managing Antibiotic Allergies: A target for antimicrobial Stewardship teams*  
South Carolina Society of Health-Systems Pharmacists Fall Meeting  
Columbia, SC **(Invited Speaker)**
- October 2017 *Practical Implementation of a Penicillin Allergy Skin Testing (PAST) Program as an Antimicrobial Stewardship Initiative Given with Dr. Emily Heil and Dr. Bruce Jones*  
Learning Lounge at IDWeek **(National-Meeting: not official programming)**  
San Diego, CA **(Invited Speaker)**
- October 2017 *Lessons Learned—Practice Based Research Network (PRN)-Focused Research*  
ACCP Annual Meeting  
Health Outcomes PRN Focus Session—Design and Implementation of Health Outcomes Research Using Electronic Medical Records  
Phoenix, AZ **(Invited Speaker)**
- October 2017 *Bariatric Surgery*  
ACCP Annual Meeting  
Clinical Reasoning Series in Pharmacotherapy—Gut Check Time: An Update in Gastrointestinal Pharmacotherapeutics  
Phoenix, AZ **(Invited Speaker)**
- October 2017 *Antimicrobial Stewardship for the Front-Line Provider: Its not just for ID specialists*  
Tift Regional Grand Rounds  
Tifton, GA **(Invited Speaker)**
- October 2017 *Antimicrobial Stewardship for the Front-Line Provider: Its not just for ID specialists*

- Vitalcare BootCamp  
New Orleans, LA (**Invited Speaker**)
- September 2017      *Penicillin Allergy: Incidence and Assessment*  
Vizient Inc. National Webinar in conjunction with Penicillin Allergy  
Testing Day (**Invited Speaker**)  
*Broadcast to over 200 attendees nationally*
- July 2017            *Anticoagulant Overview: Practical Application through Patient  
Cases in Outpatient Setting*  
Continuing Medical Education Conference  
MCE Conferences (Audience: Primary Care Providers)  
Orlando, FL (**Invited Speaker**)
- July 2017            *Update on the Treatment of Diabetes*  
Continuing Medical Education Conference  
MCE Conferences (Audience: Primary Care Providers)  
Orlando, FL (**Invited Speaker**)
- July 2017            *Polypharmacy and the Elderly: Minimizing Untoward Effects  
Through Prudent Prescribing*  
MCE Conference (Audience: Primary Care Providers)  
Orlando, FL (**Invited Speaker**)
- May 2017            *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation,  
infectious diseases, cardiology, endocrinology, and neurology for  
pharmacy students preparing for national board exam (8 didactic  
teaching hours)*  
Shenandoah University  
Winchester, VA
- May 2017            *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation,  
infectious diseases, cardiology, endocrinology, and neurology for  
pharmacy students preparing for national board exam (8 didactic  
teaching hours)*  
Virginia Commonwealth University  
Richmond, VA
- May 2017            *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation,  
infectious diseases, cardiology, endocrinology, and neurology for  
pharmacy students preparing for national board exam (8 didactic  
teaching hours)*  
Wingate University School of Pharmacy

Wingate, NC

- May 2017      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*  
South Carolina College of Pharmacy  
Columbia, SC
- April 2017      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*  
University of Georgia College of Pharmacy  
Athens, GA
- March 2017      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*  
Medical University of South Carolina  
Charleston, SC
- February 2017      *Anticoagulant Overview: Practical Application through Patient Cases in Outpatient Setting*  
Continuing Medical Education Conference  
MCE Conferences  
Montego Bay, Jamaica (**Invited Speaker**)
- February 2017      *Update on the Treatment of Diabetes*  
Continuing Medical Education Conference  
MCE Conferences  
Montego Bay, Jamaica (**Invited Speaker**)
- February 2017      *Making Sense of Hypertension Guidelines: How low should we go?*  
Continuing Medical Education Conference  
MCE Conferences  
Montego Bay, Jamaica (**Invited Speaker**)
- February 2017      *The Use of Penicillin Skin Testing as an Antimicrobial Stewardship Initiative: The Gift that Keeps on Giving*

UGA Grand Rounds  
Savannah, GA (**Invited Speaker**)

- December 2016      *Creating Positive Outcomes for Gram-negative Infections:  
Deciphering Antibiograms for Best Results*  
ASHP Midyear (**National Meeting**)  
Las Vegas, NV (**Invited Speaker**)
- October 2016      *The Use of Penicillin Skin Testing as an Antimicrobial  
Stewardship Initiative: The Gift that Keeps on Giving*  
Learning Lounge at IDWeek (**National-Meeting: not official  
programming**)  
New Orleans, LA
- June 2016          *Pharmacy Resident Mentoring of Research: From  
Caterpillar to Butterfly*  
St. Joseph's/Candler Preceptor Development Conference  
Savannah, GA
- June 2016          *Anticoagulant Overview: Practical Application through Patient  
Cases in Outpatient Setting.*  
Continuing Medical Education Conference  
MCE Conferences  
Sonoma, CA
- June 2016          *Update on the Treatment of Diabetes.*  
Continuing Medical Education Conference  
MCE Conferences  
Sonoma, CA
- June 2016          *Epidemiology and Treatment of Skin/Soft Tissue Infections  
including MRSA.*  
Continuing Medical Education Conference  
MCE Conferences  
Sonoma, CA
- May 2016          *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation,  
infectious diseases, cardiology, endocrinology, and neurology for  
pharmacy students preparing for national board exam (8 didactic  
teaching hours)*  
Virginia Commonwealth University  
Richmond, VA
- May 2016          *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation,*

*infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*

Wingate University School of Pharmacy  
Wingate, NC

May 2016

*NAPLEX review course: Clinical Therapeutics  
Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*

University of Georgia College of Pharmacy  
Athens, GA

May 2016

*NAPLEX review course: Clinical Therapeutics  
Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*

South Carolina College of Pharmacy  
Columbia, SC

April 2016

*NAPLEX review course: Clinical Therapeutics  
Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*

University of New Mexico  
Albuquerque, NM

March 2016

*The White House and Antimicrobial Stewardship: How coming mandates affect my practice*

Georgia Society of Health-Systems Pharmacists Spring Meeting  
Savannah, GA **(Invited Speaker)**

March 2016

*The Use of Penicillin Skin Testing as an Antimicrobial Stewardship Initiative*

UGA Grand Rounds  
Savannah, GA **(Invited Speaker)**

January 2016

*Antibiotic Stewardship and Penicillin Allergy Assessment  
Center for Medicare and Medicaid Services Partnership for Patients Webinar*

National Webinar **(Invited Speaker)**

January 2016

*Antibiotic Stewardship in Long-Term Health Settings*

- Network HealthCare CE Winter Meeting  
Charleston, SC **(Invited Speaker)**
- December 2015 *Is Bariatric Surgery a Barrier to Drug Absorption?*  
American Society of Health-System Pharmacists (ASHP) Midyear Meeting **(National Meeting)**  
New Orleans, LA **(Invited Speaker)**
- October 2015 *The Use of Penicillin Skin Testing as an Antimicrobial Stewardship Initiative*  
Learning Lounge at IDWeek (not official programming)  
San Diego, CA
- October 2015 *Update on Clinical Use of Novel Anticoagulants*  
Georgia American College of Physicians (ACP) Meeting  
Lake Lanier, GA **(Invited Speaker)**
- October 2015 *Optimal Management of community and hospital-acquired MRSA infections: Evidence-based approach to management of MRSA infections (Expert Panel Discussion and Debate)*  
American College of Clinical Pharmacy (ACCP) Global Conference on Clinical Pharmacy **(International Meeting)**  
San Francisco, CA **(Invited Speaker)**
- October 2015 *Optimal Management of community and hospital-acquired MRSA infections: Current Landscape of MRSA Infections*  
American College of Clinical Pharmacy (ACCP) Global Conference on Clinical Pharmacy **(International Meeting)**  
San Francisco, CA **(Invited Speaker)**
- October 2015 *The Use of Penicillin Skin Testing as an Antimicrobial Stewardship Initiative*  
IDWeek (Industry sponsored symposium)  
San Diego, CA **(Invited Speaker)**
- July 2015 *Epidemiology and Treatment of Skin and Soft Tissue Infections including MRSA*  
Smith Drug Continuing Education Program  
Savannah, GA **(Invited Speaker)**
- July 2015 *The White House and Antimicrobial Stewardship: How coming mandates affect my practice*  
Tennessee Pharmacists Association Annual Meeting  
Murphreesboro, TN **(Invited Speaker)**

- May 2015      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*  
Albany College of Pharmacy  
Albany, NY
- May 2015      *Drug Dosing in Obesity*  
Georgia Area Critical Care Pharmacists Network Symposium  
Atlanta, GA **(Invited Speaker)**
- July 2014      *Drug Dosing in Obesity*  
Georgia Society of Health-Systems Pharmacists Annual Meeting  
Amelia Island, FL **(Invited Speaker)**
- July 2014      *Drug Dosing in Obesity*  
Pulmonary and Critical Care Medicine Symposium  
Kiawah Island, SC **(Invited Speaker)**
- July 2014      *Difficult to Treat MRSA Infections: Is There a Role for Double Coverage? Seriously?*  
Pulmonary and Critical Care Medicine Symposium  
Kiawah Island, SC **(Invited Speaker)**
- May 2014      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*  
University of Saint Joseph School of Pharmacy  
Hartford, CT
- April 2014      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*  
Nova Southeastern University College of Pharmacy  
Fort Lauderdale, FL
- February 2014      *Drug Dosing in Obesity*  
Tennessee Society of Health-System Pharmacists Annual Meeting  
Nashville, TN **(Invited Speaker)**
- January 2014      *Antimicrobial Stewardship Update*

- Augusta Citywide Stewardship Workgroup Meeting  
Augusta, GA
- October 2013     *Difficult to Treat MRSA Infections: Is There a Role for Double Coverage?*  
American College of Clinical Pharmacy (ACCP) Annual Meeting  
**(National Meeting)**  
Albuquerque, NM **(Invited Speaker)**
- October 2013     *Polypharmacy and the Elderly*  
Georgia American College of Physicians (ACP) Meeting  
Savannah, GA **(Invited Speaker)**
- August 2013     *The Use of Broad-Spectrum Antibiotics for Skin and Skin Structure Infections: An Unintended Consequence of Antimicrobial Stewardship?*  
Fort Myers, FL
- August 2013     *Overview of ESBL infections*  
Association for Professionals in Infection Control and Epidemiology (APIC)  
Augusta, GA **(Invited Speaker)**
- August 2013     *PK/PD in Special Populations: Focus on Obesity*  
Augusta Citywide Antimicrobial Stewardship Workgroup  
Augusta, GA
- July 2013         *Antimicrobial Stewardship: Present and Future*  
Amelia Island, FL
- May 2013         *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*  
Albany College of Pharmacy  
Albany, NY
- May 2013         *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*  
Southern Illinois University-Edwardsville College of Pharmacy  
Edwardsville, IL
- May 2013         *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation,*

*infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*

Nova Southeastern University College of Pharmacy  
Fort Lauderdale, FL

- March 2013      *Pharmacotherapy Implications of Bariatric Surgery on Patient Care: A Primer for Pharmacists*  
Georgia Health Sciences University Grand Rounds  
Augusta, GA **(Invited Speaker)**
- March 2013      *Pharmacotherapy Implications of Bariatric Surgery on Patient Care: A Primer for Pharmacists*  
Georgia Society of Health-System Pharmacists Spring Meeting  
Pine Mountain, GA **(Invited Speaker)**
- March 2013      Pharmacy-Led Research in 2013- Is it Possible?  
Georgia Area Critical Care Pharmacists Network Symposium  
Savannah, GA **(Invited Speaker)**
- February 2013    *Rapid Microbiologic Diagnostic Testing: Implications for Antimicrobial Stewardship*  
Trinity Medical Center  
Birmingham, AL
- February 2013    *Rapid Microbiologic Diagnostic Testing: Implications for Antimicrobial Stewardship*  
Charleston, SC
- February 2013    *Rapid Microbiologic Diagnostic Testing: Implications for Antimicrobial Stewardship*  
Augusta, GA
- February 2013    *Rapid Microbiologic Diagnostic Testing: Implications for Antimicrobial Stewardship*  
SELF Regional Hospital  
Greenwood, SC
- October 2012     *Pharmacotherapy Implications of Bariatric Surgery on Patient Care: A Primer for Pharmacists and Primary Care Providers*  
Cardinal Health Pharmacy Solutions Webinar  
Live Webinar delivered to Pharmacists and Primary Care Providers  
**(Invited Speaker)**
- July 2012        Update in the Treatment of *C. difficile* colitis  
Pulmonary and Critical Care Medicine Symposium

Kiawah Island, SC **(Invited Speaker)**

- July 2012      *Antibiotic stewardship: An essential component of ICU care*  
Pulmonary and Critical Care Medicine Symposium  
Kiawah Island, SC **(Invited Speaker)**
- July 2012      *Rapid Microbiologic Diagnostic Testing: Implications for Antimicrobial Stewardship*  
Amelia Island, FL
- July 2012      *Role of New Antimicrobials From A Stewardship Perspective: Focus on ceftaroline and fidaxomicin*  
Georgia Society of Health-System Pharmacists Summer Meeting  
Amelia Island, FL **(Invited Speaker)**
- May 2012      *Review of MRSA Guidelines with Impact on Clinical Practice*  
Augusta Citywide Antimicrobial Stewardship Meeting  
Augusta, GA
- May 2012      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*  
Southern Illinois University-Edwardsville College of Pharmacy  
Edwardsville, IL
- May 2012      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (8 didactic teaching hours)*  
Nova Southeastern University College of Pharmacy  
Fort Lauderdale, FL
- May 2012      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*  
Albany College of Pharmacy  
Albany, NY
- April 2012      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for*

*pharmacy students preparing for national board exam (16 didactic teaching hours)*

Howard University College of Pharmacy  
Washington, DC

- February 2012 *The Use of Broad-Spectrum Antibiotics for Skin and Skin Structure Infections: An Unintended Consequence of Antimicrobial Stewardship?*  
Pharmacy Grand Rounds  
Tifton, GA
- January 2012 *Overview of Antimicrobial Stewardship: An “ID” Pharmacist’s Perspective*  
Association for Professionals in Infection Control and Epidemiology (APIC)  
Augusta, GA **(Invited Speaker)**
- October 2011 *Role of New Antimicrobials From A Stewardship Perspective: Focus on telavancin, ceftaroline, and fidaxomicin*  
South Carolina Society of Health-System Pharmacists Fall Meeting  
Columbia, SC **(Invited Speaker)**
- September 2011 *The Use of Broad-Spectrum Antibiotics for Skin and Skin Structure Infections: An Unintended Consequence of Antimicrobial Stewardship?*  
Pharmacy Grand Rounds  
Maryville, TN
- July 2011 *The Use of Broad-Spectrum Antibiotics for Skin and Skin Structure Infections: An Unintended Consequence of Antimicrobial Stewardship?*  
Amelia Island, FL
- July 2011 *Comparison of Sedation and Analgesia Strategies in the ICU: Focus on Pharmacotherapy*  
Critical Care Medicine Symposium  
Kiawah Island, SC **(Invited Speaker)**
- July 2011 *Treatment of MRSA infections in 2011: Review of recent guidelines with an emphasis on MRSA pharmacotherapy*  
Critical Care Medicine Symposium  
Kiawah Island, SC **(Invited Speaker)**
- May 2011 *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*  
Southern Illinois University-Edwardsville College of Pharmacy

Edwardsville, IL

- April 2011      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (16 didactic teaching hours)*  
Nova Southeastern University College of Pharmacy  
Ft. Lauderdale, FL
- April 2011      *NAPLEX review course: Clinical Therapeutics*  
*Instructor on various clinical topics including anticoagulation, infectious diseases, cardiology, endocrinology, and neurology for pharmacy students preparing for national board exam (1 didactic teaching hour)*  
Howard University School of Pharmacy  
Washington, D.C.
- March 2011      *Challenging Cases in Infectious Diseases*  
South Carolina Society of Health-System Pharmacists Annual Meeting  
Hilton Head, SC **(Invited Speaker)**
- March 2011      *Eliminating the Illusions of Implementing Extended-Infusions of Beta-Lactams*  
Co-presentation with Whitney Jones, Pharm.D. from the Medical College of Georgia  
Georgia Society of Health-System Pharmacists Spring Meeting  
Pine Mountain, GA **(Invited Speaker)**
- September 2010      *Update in the Treatment of MRSA in 2010*  
Georgia Society of Health-System Pharmacists Central Savannah River District Meeting  
Augusta, GA **(Invited Speaker)**
- September 2010      *Utilizing Antimicrobial PK/PD principles in practice: the academic and clinical perspective*  
Society of Infectious Disease Pharmacists Annual Meeting **(National Meeting)**  
Boston, Massachusetts **(Invited Speaker)**
- November 2009      *Comparison of Automated versus E-testing of Vancomycin against Staphylococcus Aureus Isolates in a Military Treatment Facility*  
Army/Air Force ACP Scientific Meeting  
San Antonio, Texas

February 2009      *Comparison of Automated versus E-testing of Vancomycin against Staphylococcus Aureus Isolates in a Military Treatment Facility: Georgia American College of Physicians Annual Scientific Meeting Savannah, GA (First place overall in research category)*

October 2008      *Update in the Treatment of Uncomplicated and Invasive MRSA Infections Georgia Society of Health-System Pharmacists Annual Meeting Helen, Georgia (Invited Speaker)*

October 2007      *Update in Anti-Infectives Georgia Society of Health-System Pharmacists Meeting Central Savannah River District Augusta, GA (Invited Speaker)*

March 2007      *Update in Anti-Infectives Georgia Society of Health-System Pharmacists Annual Spring Meeting Pine Mountain, GA (Invited Speaker)*

October 2006      *Update in Anti-Infectives Combined Forces Pharmacy Seminar American Pharmaceutical Association Atlanta, Georgia (Invited Speaker)*

## **Consultancies**

2019-present      **George Washington University**  
Curriculum Consultant

2018-present      **Merck Pharmaceuticals**  
National Advisory Board  
Gram-negative Infections

November 2015-present      **ALK Abello, Inc.**  
*Provide education regarding penicillin skin testing*

September 2013      **Elsevier Clinical Solutions**  
Philadelphia, PA  
*Develop online continuing education program for pharmacists on Antimicrobial Stewardship*

August 2012      **University Hospital**  
Department of Pharmacy  
Augusta, GA  
*Update the current Antifungal Guidelines for Empiric Prescribing*

April 2012	<b>Optimer Pharmaceuticals</b> <i>Develop critical care case-based learning modules for physicians</i> <i>Taking care of C. difficile patients</i>
October 2011	<b>Southern Virginia Regional Medical Center</b> Department of Pharmacy Emporia, VA <i>Sepsis Antibiotic Order Form</i>
June 2011	<b>AnMed Health</b> Department of Pharmacy Anderson, SC <i>Updated Vancomycin Loading Dose Strategy for Severe Infections</i>
April 2011-2015	<b>W-F Professional Associates, Inc.</b> Deerfield, IL <i>Serve as National Board Review Instructor for NAPLEX</i>
December 2010	<b>Medical College of Georgia</b> Augusta, GA Implementation Strategy for Extended Infusions of Piperacillin-Tazobactam
April 2009	<b>Tripler Army Medical Center</b> Honolulu, HI Implementation Strategy for Extended Infusions of Piperacillin-Tazobactam

## **Professional Organizations**

### **Georgia Area Critical Care Pharmacists Network (GACCPN)**

- Member 2013-2016
- Planning Committee 2013-14

### **Southeastern Research Group Endeavor (SERGE-45)**

- Co-Founder 2010-present with Brandon Bookstaver, Pharm.D.
- Research group located in the Southeastern United States dedicated to facilitating infectious diseases research among clinical pharmacists
- Currently have completed two projects with 7 abstracts and two publications
- Comprised of nearly 50 pharmacists across nearly 40 hospitals/health systems

### **Augusta Citywide Antimicrobial Stewardship Workgroup**

- Co-Founder and Director 2010-2015

### **Making A Difference in Infectious Diseases Pharmacotherapy (MAD-ID)**

- Full Member 2012-present

**American Society of Microbiology (ASM)**

- Full Member 2011-2014

**Infectious Diseases Society of America (IDSA)**

- Full Member 2009-present

**Society of Infectious Diseases Pharmacists (SIDP)**

- Full Member 2007-present

**Society of Critical Care Medicine (SCCM)**

- Full Member 2006-07

**American College of Clinical Pharmacy (ACCP)**

- Full Member 2003-present

**Georgia Society of Health-System Pharmacists (GSHP)**

- Full Member 2002-present

**Rho Chi Honor Society**

- Member 1997-present
  - Vice-President 1998
- 

**Professional Service**

*National Organizations*

**Society of Infectious Diseases Pharmacists**

- **Publications Committee 2014-15**
- **Inter-organizational Committee 2016-17**
- **Social Media Committee 2017-19**
- **Educational Committee 2019-20**

**American College of Clinical Pharmacy**

**Infectious Diseases Practice Research Network Chair Elect 2014-15**

- Responsible for organizing and developing ID PRN Focus Session for ACCP Annual Meeting
- Served as liaison for Nominations Committee and Programming Committee
- Helped expand executive committee to include two residents
- Helped develop webinar with Society of ID Pharmacists and Clinical Laboratory Standards Institute which was free CE for membership
- Co-sponsored session at MAD-ID Meeting on treatment of Hepatitis C

### **Infectious Diseases Practice Research Network Chair 2015-16**

- Liaison for Publications Committee
- Helped facilitate formation of ID PRN Twitter account with nearly 500 followers in under six months
- Organized Twitter chats with ID Experts nationally for service to members
- Helped develop webinar with Society of ID Pharmacists and Clinical Laboratory Standards Institute which was free CE for membership
- Co-sponsored session at MAD-ID Meeting on treatment of resistant Gram-negative infections

### **2016 Annual Meeting Infectious Diseases Career Roundtable Facilitator**

- Facilitated 6-15 minute roundtable sessions of approximately 15 students/residents each
- Discussed opportunities for infectious diseases career and took questions from students/residents

### **Infectious Diseases Practice Research Network Social Media Committee Chair 2016-17**

- Chaired inaugural committee
- Developed 1<sup>st</sup> ever PRN Twitter account
- Organized and executed several Twitter events to discuss ID topics with national experts

### **Infectious Diseases Practice Research Network 2017-18**

- Social Media Committee (Member)
- Awards Committee (Member)

## *UGA College of Pharmacy*

### **ACPE Self-Study Committee: Experiential Education (2015-16)**

### **Continuing Education Committee (2015-17)**

### **Admissions Committee (2016-17)**

### **Curriculum Committee (2017-18)**

### **Branding Committee (2017-18)**

### **Awards Committee (2018-20)**

### **Student Wellness Committee (2018-20)**

### **Distance Campus Long-Term Planning Committee (2018-2019)**

### **Clinical Faculty Search Committees**

- Ambulatory Care Faculty Position for Southeast Campus (Anne Misher, Pharm.D. hired 2016)
- Critical Care Faculty Position for Athens Campus (Susan Smith, Pharm.D. hired 2017)
- Internal Medicine Faculty Position for Augusta Campus (Andrea Newsome, Pharm.D. hired 2017)
- Assistant Dean/Associate Dept. Head/Internal Medicine Faculty Position for Savannah Campus (Chair- Search ceased)
- Oncology Faculty Position for Savannah Campus (Chair of search)
