PROFESSIONAL EXPERIENCE

<u>Clinical Instructor</u> <i>University of Georgia College of Pharmacy, Athens, GA</i>	Present
<u>Clinical Staff Pharmacist</u> <i>Recept Pharmacy/CTCA Rx Oncology Specialty Pharmacy, Newnan, GA</i>	2018 to 2020

Experience in medication prior authorization, Medicare billing, patient financial assistance programs, and medication shipping. Demonstrate leadership skills to help implement a specialty pharmacy operation within the CTCA hospital system. Proficient in delivering telephonic MTM care to patients through Therigy STM specialty platform. Key initiatives included:

- Consulted as a clinical liaison between patients and nurses and physicians
- Developed training standards and procedures to increase workflow efficiency
- Implement protocols and standard processes to streamline pharmacy operations
- Assisted and fulfilled requirements for URAC and ACHC Accreditation for specialty pharmacy
- Provided excellent and attentive patient care
- Received outstanding positive comments from patient reviews

Pharmacy Co-Manager

2016 to 2018

Kroger Pharmacy, Atlanta, GA

As a MTM pharmacist, I engage all pharmacy team members in key training requirements to fulfill company's health initiatives such as medication synchronization, auto-refills, and point-of-care-testing. Key initiatives included:

- Offered medication therapy management services to patients using MirixaPro and OutcomesMTM platforms
- Provided direct in-pharmacy patient counseling and telephonic counseling sessions
- Identify internal and external factors that may detract from the pharmacy's values and goal of fostering a diverse and inclusive work environment
- Championed immunization program to covering a wider vaccination selection
- Served as a Preceptor to pharmacy intern (Marlon Paul PharmD)

Pharmacy Manager

2011 to 2016

CVS Health/Pharmacy, Mableton, GA

Strategized and planned with pharmacy team to deliver best in class pharmacy care to patients in a fast-paced environment. Coordinated pharmacy technician and new pharmacist onboarding training. Incorporated medication therapy management principles to deliver appropriate consultations for patients with chronic illnesses. Key initiatives included:

- Actively contributed to a team culture that promotes caring, energy, enthusiasm, and pride.
- Consulted patients telephonically to ensure medication adherence and to ensure proper administration of medication
- Served as a Preceptor to pharmacy intern (Brittany York PharmD)
- Evaluated pharmacy practices to identify improvement in workflow management and to deliver better health outcomes
- Identified critical business opportunities to develop meaningful solutions to drive pharmacy growth and improve performance such as increasing immunization services to patients

UHC Staff Pharmacist
University of Georgia Health Center Pharmacy, Athens, GA

2012 to 2017

Provided efficient, professional, confidential, and economical prescription counseling service to the University of Georgia students, faculty, and staff. Worked with staff pharmacists to instill a learning environment for pharmacy technicians and pharmacy interns. Key initiatives included:

- Fostered an inclusive learning environment for university pharmacy students
- Served as a Preceptor to four pharmacy interns (Jeremy Bennett PharmD, Charna Ross PharmD, Chris Brannen PharmD, Mallory Nelson PharmD)
- Instructed pharmacy interns through patient counseling, pharmacy law, and best practices
- Communicated and provided in-house physicians and nurses drug and dosing information

Pharmacy Manager
Target Pharmacy, Smyrna, GA & Sandy Springs, GA

2006 to 2011

Worked with national pharmacy project manager to promote Target's ClearRx color-coded prescription bottles for patient safety. Championed immunization within the pharmacy as well as organizing flu clinics for surrounding businesses. Collaborated with area physicians to provide drug information. Key initiatives included:

- Optimized business profitability in Smyrna Target to achieve #2 nationally ranked Target Pharmacy in 2007
- Served as a district trainer for new incoming pharmacists
- Worked with Target HR to help interview and recruit college graduates
- Executed and opened a new Target Pharmacy in Sandy Springs from ground up
- Hired and served as Preceptor to three pharmacy interns (Suvi Sonchaiwanich PharmD/MBA, Yan-Sheng Ouyang PharmD, and Valeana Domercant PharmD)
- Achieved Top Performer among Target Team Executives in District 334/336 from 2007-2010

TEACHING ACTIVITY

<u>Graduate Teaching Assistant, Department of Clinical Administrative Sciences</u> <i>University of Georgia College of Pharmacy</i>	1999 to 2001
--	--------------

Pharmacy 5680 – Pharmacy Law and Ethics

- Led discussion group of 20 pharmacy students twice a week
- Monitored and proctored exams through course
- Prepared case studies, facilitated in students’ learning
- Developed students’ critical thinking skills through application of real life experiences

Undergraduate Biology Laboratory Teaching Assistant
University of Georgia – Biology Department

1995 to 1997

Co-taught undergraduate Biology 103 and Biology 104 lab sessions each week. Worked closely with non-science major undergraduate students.

- Facilitated lab experiments
- Provided in-class teaching such as giving pre-lab lectures and throughout each session
- Developed quizzes and prepared in class discussion topics
- Held office hours to work with students requiring additional assistance

Howard Hughes Medical Institute Problem Solving Facilitator
University of Georgia Franklin Arts & Sciences – Biological Sciences

1994 to 1997

Worked with academic advisor and four undergraduate student facilitators to lead problem solving based classroom discussions supplemental to University of Georgia Biology 107 & Biology 108 courses.

- Developed student problem solving workbook including problem-based cases
- Implemented student facilitator onboarding and training
- Coordinated teaching schedules offering 4 to 6 seminars weekly
- Classroom discussions ranged from 25 to 75 students per session

Student Athletic Academic Peer Tutor
University of Georgia Athletics Department

1994 to 1996

Completed a tutor training course through University of Georgia Division of Advancement. Courses tutored Biology, Chemistry, Organic Chemistry, College Algebra, and Precalculus.

- Peer Tutoring in both one-on-one and group session through appointments or drop-ins
- Met with student athletes' academic advisor weekly to report progress
- Instructed and taught course material with special emphasis using student's learning methods
