

Decision Tree College of Pharmacy Faculty, Staff, and Supervisors

Before coming to campus, use [DawgCheck](#) to monitor for symptoms of COVID-19

Are you experiencing any [symptoms](#) of COVID-19 or do you have a positive test result for COVID-19?

YES

I have symptoms and/or a positive test

1. Follow [CDC Guidelines](#) to stay home, separate yourself from other people, monitor symptoms, and get tested if you haven't already.
2. Report situation to [DawgCheck](#) and follow recommendations from DawgCheck.
3. Contact healthcare provider for guidance if needed.
4. Notify your supervisor.

Supervisor will work with faculty/staff to determine when [return-to-campus criteria](#) are met and the employee can be cleared to return.

Supervisors will communicate with COP COVID-19 Operational Leadership Team (COLT) to determine if further action is needed (i.e., additional reporting, facility cleaning). The primary COLT contact for supervisors is Dr. Michael Bartlett (mgbart@uga.edu).

NO

I do NOT have symptoms or a positive test

Have you been in **direct physical or close contact*** with someone who has been diagnosed with or tested positive for COVID-19?

YES

I have had direct/close contact

1. Monitor for symptoms.
2. Quarantine per current [CDC guidelines \(10-day option\)](#) allowed per UGA).
3. Report situation to [DawgCheck](#) and follow recommendations from DawgCheck.
4. Communicate with your supervisor.

NO

1. Monitor for symptoms.
2. Continue to engage in social distancing, wear appropriate face coverings, and practice good hygiene.

***Close Contact**

Close contact is defined as being within 6 feet of an infected person for a cumulative total of *15 minutes or more over a 24-hour period** starting from 2 days before illness onset (or, for asymptomatic patients, 2 days prior to test specimen collection) until the time the patient is isolated.

**Individual exposures added together over a 24-hour period (e.g., three 5-minute exposures for a total of 15 minutes).*
