

THE AUGUSTA UNIVERSITY/ UNIVERSITY OF GEORGIA "3+4" CHEMISTRY B.S./ PHARM.D. PROGRAM

Augusta University students have a guided pathway into the University of Georgia's Doctor of Pharmacy program and can receive a guaranteed interview. Those admitted may complete their bachelor's degree in Chemistry with transferred credits earned through the Pharm.D. program, allowing participants an earlier start to their pharmacy career.

THE TIMELINE

As early as possible, alert your pre-pharmacy advisor and UGA's College of Pharmacy of your interest in the Program.

Enjoy priority applicant status, and receive a guaranteed interview during the UGA admissions process. Wait for an admissions decision.**

Transfer credits completed in the Pharm.D. program to fulfill an Augusta University B.S. in Chemistry.

Years 1-3

Complete the prescribed pre-pharmacy coursework while taking advantage of the Augusta University experience, which provides an ideal foundation for a patient-centered healthcare career.

Complete at least 35 hours of prerequisite courses in time to formally apply to the UGA Pharm.D. program by September 1 of your junior year.

Years 4-7

Matriculate into UGA's PharmD program where you will train to become a medication expert, managing and preventing drug-related issues. A dual MBA degree is available as well as Certificates in Regulatory Sciences and Pharmacy Entrepreneurship.

Admitted students must satisfactorily (earn at least a C- in all courses) complete all 69 hours of prerequisite coursework and other requirements.*

WHY CHOOSE PHARMACY?
