

Decision Tree College of Pharmacy Students

**ARE YOU EXPERIENCING ANY SYMPTOMS OF COVID-19 OR
DO YOU HAVE A POSITIVE TEST RESULT FOR COVID-19?**

YES

I have symptoms and/or a positive test.

1. Follow [CDC Guidelines](#) to stay home, separate yourself from other people, monitor symptoms, and get tested if you haven't already.
2. Report positive test to [DawgCheck](#) and follow recommendations from DawgCheck.
3. Call your healthcare provider, the student health center, or other source of local healthcare for guidance if needed.
4. Communicate with your Campus Contact.
5. Contact your course coordinators regarding specific class concerns.

Campus Contact will

- Work with student to determine when [return-to-campus criteria](#) are met and the student can be cleared to return.
- Notify course coordinator/appropriate faculty when student is eligible to return to campus.

Campus Contacts

- Athens: Duc Do (duc.do@uga.edu)
- Albany/Augusta/Savannah: Rusty May (jmay@augusta.edu)

NO

I do NOT have symptoms or a positive test.

Have you been in close contact with someone who has been diagnosed with or tested positive for COVID-19?

YES

1. Monitor for symptoms.
2. Continue to follow prevention measures.

NO

Are you fully vaccinated?

YES

1. Do not need to quarantine.
2. Follow prevention measures.
 - Wear a mask.
 - Social distance.
 - Avoid crowds.
 - Wash hands frequently.
3. Should get tested 3-5 days after exposure.

NO

1. Quarantine per current [CDC Guidelines](#).
2. Monitor for symptoms.
3. Communicate with your Campus Contact.

Individuals are considered fully vaccinated 2 weeks after their second shot in a 2-dose series (e.g., Pfizer or Moderna vaccines) or 2 weeks after a single-shot vaccine (e.g., Johnson & Johnson's Janssen vaccine).
