NOTES

- This is a typical Program of Study for the B.S. + J.D. program (3 years of pharmaceutical sciences + 3 years of law).
- B.S. degree is awarded after the fourth year (after the first year of the J.D. program).
J.D. degree will be awarded after the sixth year.
- The Program of Study can be modified based on a student's Advanced Placement (AP) credits, transfer credits, and credit load per semester.
- First-year J.D. courses will be used to fulfill Pharmaceutical Sciences B.S. major elective requirements.
- Students must meet University-wide degree requirements, including but not limited to: First-Year Odyssey Seminar, Cultural Diversity, Environmental Awareness, Experiential Learning, Physical Education, Regents' Writing and Reading Skills, Federal Constitution, United States, and Georgia History.
